INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Sir:-

Your letter of recent date in reference to your application #15826 for your son, John Watty, received. Will you kindly state why you have never made application for yourself? Do you claim any Cherokee blood whatever? Was Tau-hee-skih ever known as Davis Dickon? What was the name of Mary Watty's mother's mother, Selih's mother - that is, the name of Mary Watty's grandmother on her mother's side? Also the name of Selih's father.

If you claim any Cherokee descent, kindly give the names of your Cherokee ancestors, being careful to give all their Indian and English names.

Was Selih married more than once? If so, give the names of her different husbands. When did Mary Watty die? We note that a Mary Wattle has filed a petition #7754, stating that she is the wife of Ute Wattle, and that her parents' names are Walking-stake (Indian name Who do nie) and Sillie Bird (Indian name Sillie will or Driver). Is this the same Mary Watty that you claim is the mother of John Watty?

Please answer promptly and be careful to answer each question in full.

Sir:

You claim the right to participate in the distribution of the Eastern Cherokee Fund through your ancestor, William James. State why he was never enrolled with the Eastern Cherokees, also state why your father and mother were never enrolled with the Cherokee Tribe.

When did your ancestors leave the Old Cherokee Nation?

Do you claim Indian blood through your mother? Was she held as a slave; if so, was she owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application.

Dear Sir:

Referring to your inquiry "S. A. F., No. 15860", under date of the 2nd ultimo, and relative to the age and parentage of one Robert Big Meat, a pupil at this School, I respectfully report that this boy claims to have been born on September 24th, 1892. He does not know his father's name and also claims that he does not know of any legal guardian.

I understand that he has been raised by his grandmother, Mrs. Rachel Reed of Cherokee, N. C., and that he has a sister and several half brothers. The boy also states that his grandmother, Mrs. Reed, could give more definite information concerning his parentage.

This reply to your inquiry was delayed unavoidably because of the fact that this boy is attending school out in the country and we had some difficulty in making him understand what was wanted.

Yours very respectfully,

App. No. 15863

February 7, 1908.

Nancy Jack,

Birdtown, North Carolina.

Madam:

You state in your application for participation in the Eastern Cherokee Fund that you were enrolled in 1851 with the Eastern Cherokees. You also state that your father, Little-Jack, and your mother, Nancy Little-Jack, were enrolled with the Eastern Cherokees in 1851. None of the names given in your application appear on the Eastern Cherokee Roll made at that time. It is, therefore, necessary that you furnish this Office with the correct names used by your parents and yourself in enrollment in 1851. Give the names used by your brothers and sisters who were enrolled with you in 1851.

Please give this matter prompt attention and refer in your reply to No. 15863.

Very respectfully,

Chief Clerk.

App. No. 15863

Nancy Jack,
Birdtown, North Carolina.

Madam:

You state in your application for participation in the Eastern Cherokee Fund that you were enrolled in 1851 with the Eastern Cherokees. You also state that your father, Little-Jack, and your mother, Nancy Little-Jack, were enrolled with the Eastern Cherokees in 1851. None of the names given in your application appear on the Eastern Cherokee Roll made at that time. It is, therefore, necessary that you furnish this Office with the correct names used by your parents and yourself in enrollment in 1851. Give the names used by your brothers and sisters who were enrolled with you in 1851.

Please give this matter prompt attention and refer in your reply to No. 15863.

Very respectfully,

N. L. Crawford
Chief Clerk.

Unable to find applicant on the rolls. She claims through her father and mother Felix and Annie Riley. Felix Riley was an Old Settler and had several wives and applicant does not give the date of her birth, which should be ascertained. She has two half sisters and one half brother, namely, Sarah, Jane, and Harrison Riley, who were enrolled with their mother in 1851 in Flint District, Group 613. Applicant has a half sister by the name of Nancy J. Wallace, whose mother and brother were enrolled as Old Settlers, Tahlequah #213.

Applicant's mother's brother has filed an application, No. 17197, which has been rejected for the reason that applicant was an Old Settler. It should be ascertained whether applicant's parents were living in 1851; if so, was Felix Riley known by any other name. Also was her mother known by any other name; if so, by what name was she enrolled in 1851?

Was Felix Riley enrolled as an Old Settler or an Emigrant? Have an idea that applicant is an Old Settler.

App. No. 15887

February 10, 1908.

John T. Smith,

Bryant, Louisiana.

Sir:

You state in your application for participation in the Eastern Cherokee Fund that you are a Cherokee Indian and that you were enrolled with the Cherokees in 1851. The name John T. Smith does not appear on that roll. If you were enrolled at that time, as you state, you must have used a name other than John T. Smith. It is, therefore, necessary that you furnish this Office with your Indian name or with names ~~which~~ you have borne at any time.

Give the names of your family who were enrolled with you in 1851.

Were you held as a slave; if so, were you owned by white people or Indians?

Do you claim any Creek blood?

Please reply promptly and refer to No. 15887.

Very respectfully,

Chief Clerk.

My father John Smith who still lives in Jackson Co
Ala. was enrolled in 1851. from that County.
My brothers and sisters are named, Margaret Missouri,

None of my ancestors were ever slaves.
My grandfather died about the year 1837 in
Marshall County Ala. My father John Smith
was Eighteen years old in 1851, when he en-
rolled in Jackson County.

My father is present at the writing of this letter.
He says he has never received any money from
the government.

Trusting this may throw some light on the sub-
ject.

I am yours,

Very respy,
Susan E. Bryant.

Appl. # 15889

John T. Smith being first duly sworn, deposes and says:
My name is John T. Smith. I live at Bryant, Ala. I was born in 1833 in Marshall Co. Ala. I claim through my father. ~~XXX~~ I don't know whether through his father or mother. I don't know where my father was born, but I know that he was married at Severeville, Tenn. He claimed to be connected by blood to the Cherokee tribe of Indians. He lived with the Indians, there were only a few white people here then. He died in about 1838. I never lived with the Indians. My father had left the tribe before I was born. He moved up here to Marion County, Tenn. before I was born. I reckon my mother was a white woman, she didn't claim Indian. I never heard my father say why he left the tribe. My mother said that my father was part Indian. I never heard my mother say anything about my father going back to the tribe after she married him. There were about six children older than me. I never heard of my father having anything to do with the treaty. I don't know what the treaty was about. I never heard of my father taking any part in tribal matters. I never had anything to do with the Indians or never lived with them. My father and I have never gotten anything from the Government on account of our Indian blood. My father did not have any Indian name as I know of. My sister says we were all enrolled in 1835. That is my older sister. I was enrolled in 1851, under the name of John Smith. I was enrolled there from Jackson County, Ala. My brother Bill was enrolled at that time. All the balance of them except Bill and myself had gone west. They went west about 1848. My sister says my father and all the children were enrolled when I was a little boy in Marshall Co., Ala. I never heard of any roll in 1882. My son's names are:-- Walter, Gus and John. My sons and I were living in Jackson County, Ala. in 1882. I did not hear of any agent coming through at that time. After 1851 I sent a man back to N. C. to see if he could get my part of the appropriation. He found my name enrolled all right, but some ~~representative~~ ~~direct~~ ~~photocopy~~ ~~through~~ ~~time in 1882~~ ~~Wagon~~, that had Cherokee blood. I know the Shoemaker's. I don't know of their having Cherokee except they said they had. I don't know anything about the Keys.

Edith Pettiford being first duly sworn deposes and says

I am 85 years old / I live in Marion, Ind. I have lived here since 1844. I came from N.C. Guilford County. I claim no Indian blood. I know James Pettiford. I lived in this State when he was born. I have heard who James Pettiford's father was from a letter which I received from His grandfather, Edmond Pettiford. He stated that Osborne Giles was his father. This letter was written to me shortly after the birth of the child. James mother, Mrs. Evans often told me herself that Osborne Giles was his father. I have seen Osborne Giles many a time when I was a little girl / Osborne Giles was regarded in the community in which he lived as an Indian, his mother looked like a full blood. Osborne Giles was a mixed blood. Osbone Giles was raised by his mother in Guilford County, N.C. until he was large enough to be made an apprentice. I never heard of him getting any money from the Government on account of his Indian blood. Osborne Giles looked, as a man, like an Indian, and I remember his appearance. James Pettiford does not favor him, but is his style of a man.

Clarinda Evans being first duly sworn deposes and says:

I am 78 years old, and I was born in N.C. but I am not sure of the county. Wake County I think. My father moved to Guilford from Wake County, and I lived in Guilford County till I came to Ind. about the time I was 27 years old. I know James Pettiford, he is my son. James Pettiford's father was Osborne Giles. I never lived with Osborne Giles as his wife. After James was born Osborne Giles came to see him from time to time and recognized him as his child. He cared for him, gave him money, and bought him clothes. After I came to Ind. Osborne Giles sent me word he would be glad to look after the boy and help him, but I did not want to give him any trouble and I never wrote to him. I claim Indian (Cherokee) descent myself. In the community in which I lived in N.C. I was recognized as a colored woman, and also as an Indian. I never received any money from the Government on account of my Indian blood. There never were any slaves in my family. Osborne Giles was possibly a full blood Indian; he looked like one; and had the hair and facial appearance of my Indian. I claim my Indian blood through my mother, Sarah Carter. She lived in Guilford County, N.C.

My mother was never married to Osborne Giles, but she lived with him as man and wife according to the Indian custom. Osborne Giles always recognized me as his child. Osborne Giles was about 60 years old at the time of his death. Every body said Osborne Giles was full blooded Indian, and he often visited the Indians, and they visited him. I have heard this from my mother and grandmother. My grandmother died since I left N.C. I have heard that she was recognized as an Indian in that locality. Dear Sir:—
In replying to your favor of the 10th inst. will say that I had
an impression that my father, Elisha Crawford was enrolled. I am sure
that he should have been. I was living here, near Lafayette, Ga. in
1851. I shall be glad to add any additional reference that you might
desire as to the facts in the rest of the matter. But I can say why
my father was not enrolled. And as to myself, the Indians were gone
from here in 1851 and I had no opportunity to have the same done.

I am, Sir,

Rec. FEB 21 1908
No.

Auraria Ga. Feb. 19th 1908
Col. N. L. Crawford
Washington D. C.

Sir:

Yours of the 10th inst. to hand.

I will try to answer your questions the best I can.
You understand that I must depend largely
upon the oldest ones of the family for my
answers. My Great Aunt Alantha Dover who
is the Daughter of my Great Grand Father James Chambers
is all the one of my Great Grandfather's family that is
alive now, that I know of. - Now this Great Aunt of
mine Alantha Dover, Says, and she has an Affidavit
in Washington D.C. to the effect that her Father
James Chambers put in his Claim and did draw
his Indian money away back when she was a girl
date she does not remember, it might have been 1851
James Chambers lived then in Haywood County N.C.
I believe that my Great Grand Father James Chambers
was enrolled and did draw his Indian Claim money.
If he was not enrolled I do not know why.
I suppose the reason that my Grand father
John M. Chambers was not enrolled was because
that he was very illiterate and did not know how
to make an application and just neglected it.

I do not claim any Indian blood in mother
My Mother was a white woman without mixture
I do not understand what you mean about the slave
business! My Mother never ^{was} a slave! Nothing but
white blood coursed her veins!!
We claim our Indian blood through the
Chambers Family. from James Chambers my
Grand Grand Father and they always told me
that he was half blooded with the Cherokee
Indians

Refferance to my Indian Claim No 15892

Yours truly John M. Chambers Jr.

John M. Chambers, Jr.,

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your great-grandfather, James Chambers, who you state was a half-blood Cherokee. Why was he never enrolled with the Eastern Cherokees?

State why your grandfather, John M. Chambers, was not enrolled with the Eastern Cherokees in 1851?

Do you claim any Cherokee Indian blood through your mother? Was she ever held as a slave; if so, was she owned by white people or Indians?

Please reply promptly and refer to No. 15892.

Very respectfully,

February 20, 1906.

James Ross,

Wahkiak, Swain Co., N.C.

Sir:-

You have on file in this office application #15904 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you were born "possibly" in 1846, and that your father was Co-noo-lac-tah Ross and your mother Nancy, or E-li Ross. You state that your father did not die until 1865, and that your mother emigrated to the Territory in 1838. Your statements being very contradictory in themselves, I wish you would answer a few questions.

Are you sure you were born prior to 1851?

If you were born prior to that date, with what family were you enrolled in 1851? Was your name enrolled with the names given as those of your father and mother?

What relation are you to Au-nuk-ka-tah and Kah-nuh-nah-te-skih?

Had you a sister by the name of Ka-sih, and a brother by the name of Ta-lis-kih?

In what township were your parents residing in 1861? How many times have you been enrolled? Did you ever have a wife by the name of Tai-kih? Is Rosa Ross, your present wife, your second or third?

How many brothers and sisters had you living in 1861?

J.R.

-2-

What do you mean by saying that your mother emigrated to the Territory in 1838 or 1839? This would seem to be an utter impossibility according to the other statements in your application.

Had you any children by the names of Moses, William and Luke, and, if so, are they now living?

Please answer all questions fully.

Respectfully,

Special Commissioner.

#15914.

Jeremia Shocraft being first duly sworn deposes and says:

I am in my 38th years. I live in Grant County Ind. I have lived in Ind. about 60 years, I came here when I was 18 or 19 years of age. I came from Guilford County, N.C. I have always understood through my parents that I had Indian blood. My father, Silas Shocraft was a Cherokee Indian. I never got any money from the Government on account of my Indian blood. I am recognized in the community in which I live as a half Indian, my mother was a white woman. My name of the Miltons, colored people, married Shocrafts, and that is how the colored blood comes into my family. In N.C. my father voted and mustered as a white man. I have, as a young man, visited among the Indians, but I never lived with them as a member of the tribe. I remember my father very well, he died in 1884. I heard him talk frequently of his Indian blood. He was 84 years old at the time of his death. He came from N.C. a year before I did. He in 1840. I came in 1841. My father always lived among the white people in Guilford County. He had a place of his own. I never heard of his getting any money from the Government on account of his Indian blood. When I was small I remember seeing two or more Indians at his house. They made him a friendly visit. I never heard much about my father visiting among the Indians. My grandmother, Bicey Nickens, lived and died in Guilford County, she died when I was about 10 years old. She was about 84 or 85 at the time of her death. She professed to be an Indian doctor and visited among the white and colored people. But I do not know of her visiting among the Indians. My grandfather, Billy Shocraft, lived and died in Guilford County, and I was about 15 or 16 when he died. He claimed to be a full blood Indian. I heard a great deal about an Indian reserve up here in Ind. It is the reason my father and his family came to this State. After I had been here a year I went back to N.C. and my grandfather died while I was there. I was at the funeral. I was also at the funeral of my grandmother Bicey when I was 10 years old. My grandfather had straight hair, his complexion was reddish; my grandmother's hair was straight, and she was about the same color as my grandfather. My grandfather was 106 years old when he died. None of the Shocrafts were ever slaves. One of my own brothers, Abraham Shocraft was a slave holder. He married a white woman who owned slaves and she died and he married another white woman who was also a slave holder. Abraham had two children. I have been a preacher for 50 years in the Baptist Church for the Indians, the Miami Indians. I have been a presiding elder in the Baptist Church for a number of years. I have preached in a good many Churches except possibly the Catholic. When in N.C. my father belonged to a white church. Silas Shocraft in Wayne County, a blacksmith, is my brother. Herman Alvarian Shocraft was the son of Silas Shocraft. My brother was a blacksmith and attempted to collect a debt from a white man. A suit in court, and the white man pled that Silas was a colored man and could not sue against a white man. Two old white citizens, Meredith and Hubbard of Wayne County, who knew my father's people back in N.C. swore that there was not a drop of colored blood in our family, but that it was Indian blood entirely which made us look dark and upon this and other testimony my brother proceeded with his suit against the white man. This was before the Civil War. I knew who Golden Milton was. He was the son of Sarah Shocraft, a daughter of William Shocraft.

James Robbins being first duly sworn deposes and says:

My name is James Robbins, and I am about 90 years of age. I live I was born in Orange County, N.C. I came to Ind. in 1843. I know the family of Jerry Shoecraft who has just testified. Silas Shoecraft was my mother's brother. He was mixture of English or Portuguese and Cherokee Indian. I think he was at least a 1/2 blood. At the time of my knowing old man Silas Shoecraft there were not many Cherokee Indians living in that section of N.C. and we did not know very much about them. There was no colored blood in Silas Shoecraft's family and none of them were ever held as slaves. I claim to be of Indian descent and did not apply to participate in this fund because I thought it was all a "water haul". My grandfather was named Sam Shoecraft. He had no recognition as a Cherokee Indian because there were not many in that part of N.C. My grandmother was named Biddy Dickens and she was supposed to be a full blood Cherokee Indian, and was an Indian doctor, and went around doctoring the women. There was no talk of Indians in that County. I have heard of Catawba Indians being in that County.

My name is Asaniza C. Cotter Wisenby: I am the mother of James C. Cotter: he claims his Indian blood through his father: his father's name was James C. Cotter ever lived with the Cherokee Indians as a member of the tribe: they simply lived in with settlers with Indian blood: my husband was always looked upon as being one-sixteenth Cherokee. Sometimes called Wan. None of the ancestors through whom my husband claimed ever received any Old Settlers' payment.

SPECIAL REPORT

On the Application of Leomia Oldham, #15926.

The applicant in her application states that she was born in Trousdale Co., Tenn. in 1881, that she claims her right to participate in the Eastern Cherokee Fund through her father, J. W. McL. Hargis, application #15928, who was born in Macon Co., Tenn. in 1852. Her father has also applied for participation in this fund. He sets forth in his application that he claims his Cherokee blood through his father, Jackson W. Hargis, who was born about 1817 in Smith Co., Tenn. Jackson W. Hargis, the grandfather of Leomia Oldham, claims his Cherokee blood through his mother, Jennie Hargis, whose maiden name was Jennie Jacobs.

Martha E. Tuck, application #41393, a first cousin of the father of Leomia Oldham, states that she was born in Macon Co., Tenn. in 1873, that she claims her Cherokee blood through her mother, Malinda Hargis, who was a daughter of William Hargis, who was a son of Jennie Jacobs. (Attention is called to the conflicting statements in applications #41393 and #15928).

The following grounds are given for the rejection of this claim:

1. Neither the applicant nor any of the ancestors through whom she claims her Cherokee blood were enrolled on any of the Eastern Cherokee Rolls.
2. The grandfather of the applicant was born in 1817 in Smith Co., Tenn., over one hundred miles from the Eastern Cherokee Domain in 1855-6.
3. No evidence is submitted with this claim which would

-2-

tend to show that the applicant is a descendant of the Eastern
Cherokees who were parties to the treaties of 1835-6 and 1846.

Ouray Building, Washington, D. C.

Dear Sir:-

Your letter of Feb. 10th, to Mrs. Leomia Oldham of this place, has been handed to me by her for reply, and am authorized by her to say that she does not know the exact date when her ancestors last lived with the Cherokee Tribe, and does not know why they were not enrolled with the Tribe on the dates you name, as they always as she is informed and believes, claimed their adherence to the Tribe and boasted of their Indian blood as can be proven by old people now living. Claimant's mother was a white woman, but she does not claim thru her mother; she claims thru her father, J. W. McL. Hargis, and traces her genealogy to Jennie Jacobs a full-blood Cherokee woman. If you wish her to take or furnish further proof of descent, write me on receipt of this and she will furnish same if possible. I represent her as attorney for the collection of this claim. Please let me know if the facts above stated, to wit: that her ancestors boasted of their Indian blood, and expressed a pride in their tribal connections, and of their allegiance to the tribe, and were commonly known and reputed to belong to said tribe, will be satisfactory and sufficient?

Very truly yours,

S. M. Young atty.

COUNT OF CLAIMS
EASTERN CHEROKEES.
Rec. SEP 11 1908
No. 15926

Dixon Springs, Tenn.

Sept. 9th, 1908.

Hon. Guion Miller,

Washington, D. C.

Dear Sir:-

Your letter of inquiry of August the 31st reached me duly and referring to No. 15926, I beg leave to reply as follows:

Question 1: My name is J. W. McL. Hargis, P. O. Dixon Springs, Tenn.

Question 2: I claim my Cherokee blood thru my Father.

Question 3: My father died, according to my recollection, in 1898. He was recognised as a white man with Indian blood. His Indian descent was publicly known and was admitted by him, was never denied, but was claimed and spoken of with pride by him always. He was 82 years of age when he died. At the time he was born my grandparents were living with the white people.

Question 4: My paternal grandfather's name was William Hargis, and my information is that he was born in North Carolina, and according to what information I have at hand he lived with both Indians and White people.

Question 5: If any of my ancestors ever received any money or land from the Government, I do not know it.

Question 6: I do not know whether any of my ancestors were enrolled. I applied for land in the Indian Territory about 1897, but my claim was rejected on the ground that I was not a citizen of the Territory.

Question 7: I am informed that they took part in the Indian Festivals and feasts and social celebrations, but I don't know about treaties and legal proceedings. My father voted with the white people, I don't know about my grandfather.

Question 8: At the time the Indians went West, I think my father and grandparents were living in Macon Co. Tenn. They did not go with the Indians. Why, I do not know, but suppose it may have been because he had married a white woman.

Question 9: None of my ancestors were ever slaves.

Question 10: I consider myself of Cherokee descent from the fact that my father taught me that from my earliest infancy. It was known and recognized by us all and by the public generally. I do not believe I could find a man who knows the family who does not know the fact that we are of Indian blood.

Question 11: I have heard my father speak of the oldtime treaties between the Cherokees and the white people, but I do not remember the date or dates, nor do I recall just what he said about it, but the substance of it was that we were entitled to something by reason of the treaties.

Page 2.

Question 12: In 1882 my parents were living in Macon Co. Tenn.

In making out my original application filed before you, I am under the impression that a mistake or rather an omission was made, in leaving out the name of one of my ancestors. The application was made in great haste in order to get same filed before the expiration of the time limit which accounts for the omission if there was one. My correct line of descent is as follows: My father Jackson W. Hargis, his father William Hargis, the latter's mother Jennie Jacobs a full blood Cherokee woman.

If the omission was made as stated, it was also made in the applications of my children ^{Oldham} Leoma, Dora H., Wilson D., Ida I., and Agnes May Hargis. Please let me know when you expect to get thru with these claims. Can you tell me whether my proof is sufficient, or whether I will need more evidence? And if I need more proof I hope you will notify me what kind and character of proof I need and give me time to get the same.

Hope to hear from you and am,

Yours very truly,

J. W. Hargis

Dear Sir:-

My Client Mr. J. W. McL. Hargis, who filed claim No. 15928, in the Eastern Cherokee Appropriation, came in to see me this morning, and says he thinks likely he made an error in genealogy in the making out of same. His father was Jackson W. Hargis, his grand father William Hargis, and his great grand mother was Jennie Jacobs, the Cherokee woman. He (claimant) is under the impression that Jennie Jacobs was put down as the wife, instead of the mother of William Hargis, and if such is the fact, he desires the error corrected. This also applies to his three minor children; Wilson D. Hargis, Ida I. Hargis, and Agnes M. Hargis, and to his two daughters who are over twenty-one years of age, to wit: Leomie Oldham and Dora H. Hargis. Please have the claims examined and make correction, or advise me what course to pursue in the premises.

Also please send me without delay, Twenty-five blanks for adults and the same number for minors, and oblige,

Yours truly,

Sir:-

Replying to your letter of June 22, 1907, you are advised that the applications filed by J. W. McL. Hargis for himself and minor children will be sufficient, and it will not be necessary for him to file a supplemental application.

You are further advised that under the terms of the decree of the Court of Claims of April 29, 1907, an abstract of which is herewith inclosed only such persons are entitled to participate as can prove that they are descended from Eastern Cherokees by blood; who were parties to the Treaty of 1835-6 and 1846.

While under the terms of this decree it may not be necessary to show an ancestor actually enrolled under the terms of that Treaty, as the Indian names have changed so greatly since that time and in so many cases the Indian names have been abandoned, still it will be necessary to prove by competent evidence that the ancestor was a recognized member of the Tribe at that time.

I am 77 years of age; was born in Monroe County, Tenn. I claim Cherokee Indian blood. I have never gotten any Indian money from the government. Ten years before the Civil War I lived in Texas. ~~Tennessee~~ I left Tennessee when I was seven years of age. I first settled in Missouri. I claim my Indian blood through my mother. She never got any Indian money from the government and never lived with the Indians. She was not a full blood. I went to the white schools and have always voted. My mother got her Indian blood from her mother. I never saw my grandmother. She died when my mother was an infant. I never tried for an allotment out here and never tried for any Indian money before this. I never lived with the Indians as a member of the tribe. I do not speak the Cherokee language. I remember when they moved the Indians past my father's house. They did not take my mother because she did not want to go.

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your mother, who you state was a descendant of the Cherokees. Do you know why she was not enrolled with the Cherokees in 1851?

When did your ancestors move from Tennessee to Missouri?

Were any of them ever held as slaves? If so, were they owned by white people or Indians?

Please reply promptly and refer in your reply to No. 15932.

You claim the right to share in the distribution of the Eastern Cherokee Fund through your mother, who you state was a Cherokee Indian. You also state, in your application, that your mother fell into the hands of the white people; is that why she was not enrolled with the Eastern Cherokees in 1851? Was she held as a slave by these white people or was she owned by Indians?

State whether or not you were held as a slave.
